"Great experience at JG. Highly recommended. My car was collected at 8 am, had a very reasonable quote for several new parts (which a main dealer had given me an extortionate price for!) by 9.30am and back on my drive by 5pm. Excellent service. We'll be coming back with the other car! Thank you JG Autos!!"

"Just wanted to recommend JG Auto Repairs Ltd in Crowborough who picked our car up from Tunbridge Wells this morning, did a full service and dropped it back home again at tea time. Excellent service, no hidden costs and very competitively priced. Thank you! X"
